From

Registrar, Chief Court of Mysore.

To

C.S. Balasundaram Iyer Esq.,

Offg. Secretary to Government

General & Revenue Departments.

Sir,

In reply to your letter No.J.125/287-06-5 dated the 11th instant, I am directed to state that the Offg. Chief Judge, who had long felt the need of a Judge's clerk who would be of use to read papers for him at other than office hours, especially during nights, wished to utilize the vacancy caused by the retirement of a clerk in the Chief Court, for the purpose of employing a suitable man by transfer from another department. This place has therefore not been available for providing R. Srinivas Iyengar, one of the clerks thrown out from Chikmagalur Sub-Judge's court. This munshi has had a service of 9 years.

Out of 40 hands thrown out, employment has been found for 37 men in this Department. If the vacancies in the department for some months passed had not been reserved specially, this would not have been possible. As this is a general measure of reduction, it is but fair, I am to submit, that the whole burden of providing for the discharged men should not be thrown exclusively on this department. As a very large proportion of men have been provided within the department, I am to request that Government may be pleased to direct other departments to find employment for the few hands for ~~which~~ whose provision could not be made here, and also to treat the men whose places have been reduced liberally by not insisting on their premature retirement
